Potential adopters should be aware that exotic birds may develop undesirable habits such as destruction of clothing, furniture, or anything within reach, biting, screaming, dislike of strangers or others in the household. Exotic Birds require a great deal of attention and care, their medical care can be costly. Also many Exotic Birds can outlive their human companion.

Please tell us about the pets you have owned in the past 10 years. Include Species, Breed, Age, and if applicable why you no longer have this/these pet(s)
